## CHSPE AND DIPLOMA EQUIVALENCE

The California High School Proficiency Examination (CHSPE) is a state-authorized test that provides an alternative for students to demonstrate high school-level proficiency. Students who pass the CHSPE receive a Certificate of Proficiency, which is legally equivalent to a high school diploma in the state of California under California Education Code §48412. This certificate is accepted by employers, colleges, and post-secondary institutions as satisfying the requirement of a high school diploma.

In accordance with both BPPE and NACCAS standards, Inspire Academy recognizes the CHSPE Certificate of Proficiency as a valid equivalent to a high school diploma for admission purposes.

## ENGLISH PROFICIENCY

All instruction is conducted in English. Inspire Academy does not offer English as a Second Language (ESL) instruction. Students must be proficient in English at the time of enrollment. No specific standardized language test is required unless documentation is in a foreign language.

## APPLICANTS WITH NON-IMMIGRANT VISAS

Applicants with non-immigrant visas include those with work visas, students, visitors, and foreign government officials. Non-immigrant visas include, but are not limited to, the F-1, F-2 or M-1 Student Visa, NATO Visa, B-1 or B-2 Visitors Visa, J-1 or J-2 Exchange Visitors Visa, H series or L series.

Inspire Academy of Barbering and Cosmetology does not provide visa services, and the school cannot vouch for student status or assist a student in obtaining a student visa for study in the United States. The institution is not authorized to issue Form I-20 and cannot provide documentation for international students requiring a visa to study in the United States.

In addition to the above documents, non-immigrant applicants must provide documentation to show that they are permitted to be enrolled in a post-secondary school in the United States.

## TRANSFER STUDENTS

Inspire Academy does not award credit based on challenge examinations, achievement tests, or prior experiential learning. Students seeking transfer credit must provide an Official Proof of Training Document from a licensed California beauty school. Out-of-state or international transfer students must obtain an official hour evaluation from the California Board of Barbering and Cosmetology (BBC) to determine hour equivalency. It is the student's responsibility to obtain this evaluation and submit all required documentation prior to enrollment.

Acceptance of transfer hours is at the sole discretion of the Academy Director and Director of Compliance. Transfer students may be required to complete a placement test to assess alignment with Inspire Academy's curriculum. The outcome of this assessment, along with a review of prior training, will determine how many hours are accepted. Students will be evaluated using the school's freshman curriculum to determine proper placement before accessing the clinic floor.

*Note: Transfer hours are not guaranteed to be accepted, even if full documentation is provided. Inspire Academy reserves the right to accept all, some, or none of the prior hours based on academic alignment and student performance.*

Inspire Academy does not accept transfer students who have completed more than 60% of their prior program hours. All prospective transfer students must complete a one-on-one consultation with the Academy Director as part of the admissions process. Transfer credit is only evaluated before enrollment and will not be reassessed once an enrollment agreement has been signed.

If a local school closes, Inspire Academy may, at its discretion, consider crediting more than the standard hour threshold for up to six months following the school's closure. In such cases, decisions will be made on a case-by-case basis, and official documentation from the prior institution must be provided.

The transfer tuition rate is \$15.00 per hour. This hourly rate applies only to the hours a student needs to complete at Inspire Academy. This does not include the cost of a complete and current Inspire Academy student kit, which is required for all transfer students. A non-refundable application fee of \$100.00 and a placement test fee of \$300.00 will also apply. Placement testing must be completed prior to enrollment, and no transfer credits will be granted without it.

Tuition charges and program length will be adjusted based on the number of transfer hours approved at the time of enrollment.

### **NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION**

The transferability of credits you earn at Inspire Academy is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma you earn in one of our programs (Cosmetology, Cosmetology Crossover, Barbering, Barbering Crossover, Esthetics, or Manicuring) is also at the complete discretion of the institution to which you may seek to transfer. If the credits that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Inspire Academy to determine if your diploma will transfer.

## RE-ENTRY OF PRIOR ENROLLED INSPIRE ACADEMY STUDENTS

## POTENTIAL EARNINGS

As with any career, the amount of income one can earn in the beauty and wellness industry is directly related to the amount of effort one applies to one's career. Minimum effort most likely will result in minimum earnings, while maximum efforts can lead to much higher levels of compensation. One's ability to earn income in the beauty and wellness industry is very dependent upon one's ability to communicate, present oneself professionally, develop great people skills, and maintain a positive attitude. The Inspire Academy curriculum is designed to teach students these skills to help them obtain an entry-level position upon Graduation and licensing, but the effort students put forth to learn these skills is solely up to them. In addition to the above earning considerations, earnings levels can depend on work location, tipping habits, competition, the discretion of your employer, and/or the position held. Accordingly, since earnings depend on the individual's efforts and other factors, Inspire Academy does not make any express or implied claim about the salary or wages you may earn after completing your designated educational program.

Wage and salary data for career occupations is available from the US Department of Labor at its Bureau of Labor Statistics (<http://www.bls.gov/bls/blswage.htm>).

# GRADING, EVALUATIONS, & SATISFACTORY PROGRESS

---

## GRADING SYSTEM & EVALUATIONS

Regardless of which Inspire Academy program you choose, your academic progress will be measured according to the grading system below.

**THEORY:** Theory or Technical Instruction is the instruction students receive through demonstration, lecture, classroom participation, and examination. Theory work will be graded as follows:

GRADE	DEFINITION	PERCENTAGE
A	Excellent	90%–100%
B	Very Good	80%–89%
C	Satisfactory	70%–79%
D	Unsatisfactory	60%–69%
F	Failing	Below 60%

**PRACTICAL TRAINING:** Practical Training or Practical Operations are the projects, Practical operations, and services students perform on another person (client or another student) or a mannequin. Practical Training work will be graded as follows:

GRADE	DEFINITION	PERCENTAGE
A	Excellent	90%–100%
B	Very Good	80%–89%
C	Satisfactory	70%–79%
D	Unsatisfactory	60%–69%
F	Failing	Below 60%

**ATTENDANCE:** Students must attend at least 75% of their scheduled hours to maintain Satisfactory Academic Progress (SAP).

**On-Campus Test Requirement:** All tests are required to be taken on campus. Any test taken off campus will not be considered.

## GRADUATION REQUIREMENTS

In order to graduate from the student's enrolled program, the student must:

1. Complete all required coursework and final exams with a minimum **grade point average of 75%**.
2. Complete all **scheduled clock hours** required for the program.
3. Maintain a minimum **attendance rate of 75%**.
4. Meet all **tuition and fee** obligations, including payment of any overtime charges.
5. Maintain **compliance with all school policies** throughout the course of enrollment.
6. Complete all **required graduation paperwork and documents** as provided by the school.

Students will be awarded a **Diploma**, as well as provided a **Proof of Training document** (state board requirement) and **official transcript** upon successful completion of all graduation requirements.

## ATTENDANCE

Inspire Academy is a clock-hour institution. We apply our attendance policy uniformly and equitably to all students. Regular attendance is critical for on-time program completion and skill mastery. Students are responsible for clocking in and out accurately for every arrival, lunch break, and departure, and for monitoring their hours regularly.

**Minimum Attendance Requirements:** Students must maintain a minimum cumulative attendance rate of 75% to meet Satisfactory Academic Progress (SAP). Also, students must complete their program within 133% of the scheduled program length, including any approved Leaves of Absence.

## CLOCKING PROCEDURES

1. Students must use the designated time clock system to record attendance.
2. Time clock records are used to determine actual hours attended.
3. Falsification of attendance is grounds for disciplinary action or dismissal.

## TARDINESS POLICY

1. There is no grace period for tardiness.
2. Students are not permitted to clock in after the scheduled (contracted) start time.
3. Students arriving late will be locked out for 1 hour and may return after that hour to clock in and resume instruction without penalty.

*Example: If a student's class starts at 9:00 AM, they must return no earlier than 10:00 AM to resume class for the day.*

## ABSENCE POLICY

Inspire Academy operates as a clock-hour institution. All absences result in the loss of clock-hour credit for any unattended time. However, under limited circumstances, an absence may be **conditionally recognized** as “excused” for the purpose of **allowing late entry** on the same day—**not for recovering missed hours**.

1. If a student **arrives late** and seeks to clock in later the same day, they may be permitted to do so **only if valid documentation is submitted at the time of return**.
2. Acceptable documentation includes:
  - a) Doctor’s note or appointment confirmation
  - b) Legal appearance verification (e.g., court, attorney)
  - c) Official documentation of a verifiable delay (e.g., transit disruption, emergency services)

Even if approved, this documentation **does not excuse the missed hours** or **alter the student's attendance percentage**. It simply permits reentry without disciplinary penalty under the school’s tardiness or attendance policies.

- If **no documentation is submitted**, or if the student fails to return the same day, the full day will be recorded as unexcused, and no further entry will be allowed.

*Note: The designation of “conditionally excused” is administrative only and does not impact SAP, hours earned, or maximum time frame calculations. Students are strongly encouraged to plan ahead and minimize absences to avoid falling below SAP requirements or exceeding their contract end date.*

## ATTENDANCE PROBATION AND TERMINATION

1. Students not meeting attendance requirements will be placed on Attendance Probation as outlined in the SAP policy.
2. If a student fails to attend for 14 consecutive calendar days, they will be withdrawn on the 15th day, and the school will process a refund per the withdrawal policy.
3. If a student exceeds their contracted completion date due to absences, overtime charges will apply as outlined in the Enrollment Agreement.

## MAKE-UP WORK POLICY

Students may make up missed assignments, quizzes, or practical tasks in accordance with the instructor's availability.

## SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

This policy ensures all students maintain consistent academic and attendance progress throughout their training program, in accordance with standards set by NACCAS, the U.S. Department of Education, and the BPPE. It applies to all students enrolled in NACCAS-approved programs. Applicants are provided this policy prior to enrollment.

### EVALUATION CRITERIA

Students must meet both academic and attendance benchmarks at each scheduled evaluation period:

- **Academic Standard:** 75% minimum cumulative grade average
- **Attendance Standard:** 75% minimum cumulative attendance rate

### EVALUATION SCHEDULE

Inspire Academy defines its academic year as **900 clock hours over 30 instructional weeks**. All programs are evaluated against this standard.

Evaluations are based on **scheduled hours** completed and occur within **7 school business days** of each checkpoint. These evaluations are conducted at the following scheduled-hour checkpoints, based on each student's enrollment agreement. The table below details the evaluation points applicable to each program.

Program	Hours	SAP Evaluation Points			
Cosmetology	1500	450 15	900 30	1200 40	<i>Scheduled Hours</i> <i>Weeks</i>
Barbering	1250	450 15	900 30	1075 36	<i>Scheduled Hours</i> <i>Weeks</i>
Esthetics	600	300 10	600 20		<i>Scheduled Hours</i> <i>Weeks</i>
Manicuring	400	200 7	400 14		<i>Scheduled Hours</i> <i>Weeks</i>
Cosmetology Crossover	300	150 5	300 10		<i>Scheduled Hours</i> <i>Weeks</i>
Barbering Crossover	200	100 3	200 6		<i>Scheduled Hours</i> <i>Weeks</i>

Evaluations are conducted at intervals that ensure students are evaluated at least once by the midpoint of their program or academic year, whichever is shorter.

## ACADEMIC PROGRESS

Grades are determined by theory exams, practical evaluations, technical activities using the following scale:

Grade	Definition	Percentage
A	Excellent	90%–100%
B	Very Good	80%–89%
C	Satisfactory	70%–79%
D	Unsatisfactory	60%–69%
F	Failing	Below 60%

*Students must make up missed or failed exams/assignments to maintain academic standing.*

## MAXIMUM TIME FRAME (MTF)

Students must complete their program within **133%** of its scheduled length.

LOA time does not count toward attendance but does extend the contract and MTF. Transfer and part-time students' MTF is based on their contracted hours. Students who exceed the maximum timeframe will be terminated from the program.

## ATTENDANCE PROGRESS

Cumulative attendance is calculated as: ***(Actual Hours Attended ÷ Scheduled Hours) × 100***

Program	Schedule	Hours/Week	Program Hours	Weeks	MTF Hours	MTF Weeks
Cosmetology	Full-Time, Day	42.5	1500	36	1995	48
Barbering	Full-Time, Day	42.5	1250	30	1663	40
Esthetics	Part-Time, Day	19.5	600	31	798	42
Manicuring	Part-Time, Evening	15	400	27	532	36
Cosmetology Crossover	Full-Time, Day	42.5	300	8	399	11
Barbering Crossover	Full-Time, Day	42.5	200	5	266	7

## SATISFACTORY ACADEMIC PROGRESS STATUSES

- **Satisfactory Progress:** Student meets both academic and attendance requirements
- **Warning:** Issued if standards are not met at evaluation
- **Probation:** Applied after failing Warning and a successful appeal; may require an academic plan
- **Not SAP:** Student may be dismissed unless placed on Probation after a successful appeal

## PROBATION

A student may only be placed on probation after failing SAP, submitting an appeal, and having the appeal approved. Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and not considered meeting minimum standards for satisfactory academic progress if:

1. The institution evaluates the student's progress and determines that the student did not make satisfactory academic progress during the warning or previous evaluation period; and
2. The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum time frame established for the individual student.

## APPEALS

Students may appeal based on mitigating circumstances including illness, injury, death of a relative, or other special circumstances. Students may appeal an SAP failure within **10 calendar days** by submitting:

- Written explanation of mitigating circumstances (illness, family emergency, etc.)
- Supporting documentation
- Plan to meet SAP by next evaluation

All appeal decisions and supporting documentation are maintained in the student's academic file. Approved appeals result in Probation and continuation of enrollment.

## TRANSFER / RE-ENTRY STUDENTS

SAP evaluations for transfer students are based on actual contracted hours at the institution. Transfer hours accepted count as both attempted and earned for MTF purposes. Re-entry students resume their previous SAP standing.

## RE-ESTABLISHMENT OF PROGRESS

Students not meeting SAP must meet both cumulative 75% attendance and a 75% academic average by the next evaluation to regain SAP status.

## LEAVE OF ABSENCE AND SAP

If a student is granted a Leave of Absence (LOA), the student will return to Inspire Academy in the same SAP status as when the leave began. Time spent on a LOA does not count toward the student's cumulative attendance or scheduled hours, but it does extend both the student's contract end date and Maximum Time Frame (MTF) by the number of days in the approved LOA. The student's enrollment agreement and program completion deadlines will be updated accordingly.

## INCOMPLETES, WITHDRAWALS, OR REPETITIONS

Course incompletes, repetitions and noncredit, remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards

## EVALUATION RESULTS (SAP REPORTS)

All Satisfactory Academic Progress evaluations will be completed by the school at the end of each evaluation period. Students will be notified of the results of their evaluation(s) either by email (electronically) or in person (paper). SAP results will be retained in the student's file and are available upon request. *Inspire Academy will notify the student of any evaluation in which the student is not meeting Satisfactory Academic Progress.*

## LEAVE OF ABSENCE (LOA) POLICY

Inspire Academy recognizes that students may encounter life circumstances requiring them to temporarily pause their education. A Leave of Absence (LOA) may be granted under such conditions, allowing students to retain their status and return without penalty. LOAs are granted in accordance with federal financial aid regulations, the BPPE, and NACCAS Policy IV.06.

## APPROVED REASONS FOR LEAVE

An LOA may be approved for the following reasons:

- The student's medical illness, injury, or serious health condition
- Medical care for a spouse, partner, child, parent, or grandparent with a serious health condition
- Birth or adoption of a child (maternity/paternity leave)
- Death of an immediate family member
- Military service or official deployment orders
- Mental health care or counseling
- Other documented personal emergencies

A LOA may only be granted when there is a **reasonable expectation the student will return.**

## ELIGIBILITY AND LIMITATIONS

- Students may request a Leave of Absence (LOA) for documented and approved reasons. Additional LOAs may be granted at the discretion of a Director in accordance with Inspire Academy's policy, BPPE regulations, and NACCAS requirements.
- The **minimum duration** of a LOA is **5 calendar days**.
- The **maximum total LOA time** allowed is **180 calendar days** in any 12-month period.
- LOAs are **not recommended** during the freshman period.
- LOAs will **not be granted** after a student has surpassed **100% of scheduled hours** in their program.

## REQUEST PROCESS

Students can request a LOA **in advance** via the **Prestige Student Portal**. Each request must include:

- The specific **start and end dates** of the LOA
- The **reason** for the leave
- The **student's electronic or physical signature**
- **Supporting documentation**, as appropriate:
  - Doctor's note for medical conditions
  - Obituary or death certificate
  - Adoption records or birth certificate
  - Military orders

For medical LOAs, the Academy will not extend the LOA beyond what is recommended by the student's licensed healthcare provider, unless necessary to preserve instructional continuity.

If **unforeseen circumstances** prevent an advance request, the school may grant a LOA if:

- The reason is documented by staff,
- The written request is collected as soon as possible, and
- The start date is recorded as the **first day the student was unable to attend**

All documentation will be retained in the student's file.

## ENROLLMENT IMPACT AND RETURN FROM LOA

- Students will **not be charged additional tuition** during an LOA.
- The **enrollment agreement will be extended** by the number of calendar days taken as LOA.
- This change must be formalized via an **addendum signed by both the student and a school official**.
- The **revised contract end date** may not exceed **15 calendar days beyond** the calculated LOA return date as determined using the NACCAS LOA Calculator.
- Students who return on time will retain **their Satisfactory Academic Progress (SAP) status** and all completed **clock hours and practical work**.
- A student granted a Leave of Absence (LOA) in accordance with institutional policy **is not considered withdrawn** and **no refund calculation is required** at that time.

## FAILURE TO RETURN FROM LOA

Failure to return from an approved Leave of Absence (LOA) on the scheduled return date, without prior approval of an LOA extension, will result in the student being withdrawn from the program. Requests for an LOA extension must be submitted in writing at least 24 to 48 hours prior to the approved return date and must include the reason for the extension request. All LOA extensions are subject to approval by a Director and must comply with institutional policy, BPPE regulations, and NACCAS standards.

A student who **fails to return from an approved LOA** or **takes an unapproved LOA** will be considered withdrawn.

## STANDARDS FOR STUDENT ACHIEVEMENT

### STUDENT PROGRESS

Your progress towards achieving your career success is measured by your attitude, attendance, and your classroom academic and Practical achievements. Your School Catalog has specific details about student grades and maintaining Satisfactory Academic Progress. There are benefits to maintaining good student grades and Satisfactory Academic Progress. A student becomes eligible in certain states to apply to take the state board licensing exam when they have reached 75% completion of their program of study. This process is called pre-application, and it will accelerate the scheduling of your state licensing exam date after you Graduate from your program of study. Please see your School Registrar for additional details that may apply to your program of study.

## ACHIEVEMENT

Academic achievement includes your grades for Technical Instruction (written and Practical Theory tests and assignments) and Practical Training (working on mannequins and clients on the salon floor). Our programs were developed to support different learning styles and incorporate lessons, demonstrations, media, and activities to enhance learning. If you have Questions regarding daily lessons, please talk with your instructor or Academy Directors.

Coming to school prepared for your daily lessons and assignments would be best. Ensure you bring the books/electronic devices and equipment to perform your Technical Instruction and Practical Training assignments. Students who do not come prepared with the books/electronic devices and materials they need to participate in that day's lessons fully may be required to clock out until they return with the necessary books/electronic devices.

Devices and equipment. You must complete all the Technical Instruction and Practical Training components of the program you are enrolled in. If your attendance affects completing these requirements as scheduled, you must make up the Practical and technical operations missed to meet the state board minimum requirements. This may or may not cause you to attend additional instructional hours.

All students are responsible for tracking operations and theory on their timecards. An instructor will sign off on all work done on Clients and mannequins. All operations and theories need to be signed off by their instructors.

## EXTERNSHIPS REQUIREMENTS

Currently, Inspire Academy is not offering externships.

# TUITION & FINANCING

---

## TUITION AND FEES

Inspire Academy reserves the right to adjust tuition and fees due to inflation, curriculum updates, or equipment changes. The total charges for a period of attendance and the estimated total charges for the entire educational program are the same.

## TUITION WAIVERS

Tuition waivers may be granted under exceptional circumstances, financial hardship, or documented dispute. All waivers require written approval by the Director of Compliance.

## FINANCIAL ASSISTANCE

Inspire Academy does not participate in federal or state financial aid programs. However, students may seek support from third-party lenders, scholarships, or community organizations. Inspire Academy also offers limited in-house scholarships and flexible payment plans for eligible students. Students using private loans are responsible for full repayment, including interest, even if a refund is issued.

## CONSEQUENCES OF MISSED PAYMENTS

Inspire Academy strives to support students experiencing financial hardship. If a student misses scheduled payments, the following actions will be taken:

1. **First Missed Payment:** Verbal warning
2. **Second Missed Payment:** Written notice
3. **Third Missed Payment:** Placement on administrative leave for up to 90 days to resolve account balance.

*Failure to make payment during this period may result in withdrawal. Students should immediately inform the Academy Director if they anticipate payment issues.*

## PAYMENT TERMS

Tuition may be paid in full at the time of enrollment or through an approved payment plan. Accepted payment methods include: Cash, cashier's check, money order, credit or debit card (a 4% processing fee applies to all card transactions), and approved third-party sponsors (e.g., vocational training programs, private scholarships).

*Note: Inspire Academy does not accept personal or business checks under any circumstances.*

All students are financially responsible for the full tuition and associated fees as outlined in their Enrollment Agreement. The Academy may withhold Proof of Training or other documents until the student's financial obligations are met.

Failure to make timely payments may result in suspension of class attendance, withholding of documents, or dismissal.

## CONTRACT COSTS / EXTRA CHARGES

Students and their sponsors (if applicable) agree to pay Inspire Academy the full tuition and institutional fees for their selected program as outlined in the Enrollment Agreement and according to an approved payment plan.

### Registration and Enrollment Fees

Registration Fee (nonrefundable): \$100 due at the time of signing the Enrollment Agreement

Re-entry Fee: \$150 for students returning more than 30 days after withdrawal

Testing/Evaluation Fee: \$300 for all transfer and re-entry students

### Overtime Charges

Students who do not complete their program within the contracted timeframe will be charged \$15.00 per hour for each hour beyond their contract end date. Overtime tuition must be paid in advance.

### Transcript Requests

Transcript Fee: \$75 per official transcript copy

### Tuition at Re-entry

For re-enrolling students who return more than 30 days after withdrawal, tuition will be calculated based on the current rate in effect at the time of re-entry, unless approved mitigating circumstances apply.

## INSTITUTIONAL REFUND POLICY

A student may withdraw from Inspire Academy at any time after the cancellation period (described in “Student’s Right to Cancel” below) and receive a pro-rata refund of institutional charges if they have completed 60% or less of the scheduled hours in the payment period. Refunds will be calculated based on the student’s scheduled hours through the last date of attendance, and any applicable refunds will be issued within 45 calendar days of the withdrawal date.

If a student’s enrollment application is denied, the applicant is entitled to a full refund of all monies paid to the institution, excluding the non-refundable application fee.

This refund policy applies to all terminations of enrollment, whether initiated by the student or by the institution, including withdrawal, expulsion, failure to return from a Leave of Absence (LOA), or extended absence.

For the purpose of determining the refund amount and withdrawal date, the student’s withdrawal shall be considered to have occurred on the earliest of the following:

- The date the student provides written notice of intent to withdraw.
- The date the school terminates the student’s enrollment for:
  - Failure to meet Satisfactory Academic Progress (SAP),
  - Violation of conduct, attendance, or financial policies.
- The date the student is expelled from the institution.
- The student’s failure to attend class for 14 consecutive calendar days without an approved LOA.
- The scheduled date of return from a LOA, if the student fails to return.

If the student received financial assistance through a loan or third party that was paid directly to Inspire Academy, the refund will be returned to the lender, third-party provider, or state/federal agency that guaranteed the loan. Any excess funds beyond the unpaid balance of the loan will first be returned to the financial aid programs from which the student received benefits, in proportion to the amount received, and any remaining refund amount will be paid to the student.

If the student defaults on a federal or state loan, the following may apply:

1. The government or loan guaranty agency may take collection actions, such as applying any income tax refunds to reduce the outstanding loan balance.
2. The student may become ineligible for additional federal or state financial aid until the loan is repaid.

*Note: Inspire Academy does not participate in Title IV federal financial aid programs. References to loans or financial aid refer to third-party payment agreements if applicable.*

## APPLICATION AND TERMINATION FEES

A non-refundable application fee of \$100 is charged for all programs. Inspire Academy does not charge a termination fee.

## PROGRAM OR INSTITUTIONAL CLOSURE AND TEACH-OUT POLICY

In the event that a program or the institution is permanently closed or discontinued after a student has enrolled and instruction has begun, Inspire Academy will offer the student one of the following options:

- A pro-rata refund based on scheduled hours completed at the time of closure;
- Completion of the course or program through a teach-out agreement approved by the Bureau or NACCAS;
- Transfer assistance to another institution with an equivalent or accepted program;
- A full refund of all tuition and fees paid to Inspire Academy.

Students will be notified in writing of their options and must select their preference within 30 days of notice. If a teach-out is not feasible, all prepaid tuition will be refunded in full.

### THIRD-PARTY CONTRACT COMPLIANCE CLAUSE

Any promissory notes or tuition contracts sold or transferred to a third party shall include provisions that comply with Inspire Academy's cancellation and refund policy, and all related obligations under the California Education Code and NACCAS standards.

No such agreements may waive or reduce the student's right to a refund.

### COLLECTION PROCEDURES AND ACKNOWLEDGMENT OF REFUND POLICY

Inspire Academy's collection procedures reflect ethical business practices and comply with all state and federal laws.

Any collection efforts—whether conducted by the institution directly or by a third party, including banks, agencies, or legal representatives—shall:

- Acknowledge the existence of the Withdrawal and Settlement Policy;
- Avoid any misleading or coercive language;
- Not use the name of the National Accrediting Commission of Career Arts and Sciences (NACCAS) in any collection communications;
- Respect the student's right to due process and appropriate documentation.

### INSPIRE ACADEMY BAD DEBT RECOVERY AND COLLECTION POLICY

Students are responsible for payment of all tuition, fees, and other institutional charges incurred pursuant to the signed Enrollment Agreement and the institution's catalog. Financial obligations remain the responsibility of the student regardless of completion status, withdrawal, or termination, subject to the institution's published Cancellation and Refund Policy.

Inspire Academy maintains procedures for the management and recovery of delinquent student accounts in accordance with applicable federal and state laws, BPPE regulations, and NACCAS standards. All collection practices shall reflect ethical business practices and shall be conducted in a professional and lawful manner.

If a student account becomes delinquent, the institution will make reasonable efforts to notify the student and collect the outstanding balance. Collection attempts may include written correspondence, electronic communications, telephone contact, and payment arrangement offers when appropriate.

All collection communications initiated by the institution, third-party servicers, collection agencies, attorneys, or other representatives shall acknowledge the existence of the institution's Cancellation and Refund Policy and shall comply with the institution's published refund and settlement procedures.

If a balance remains unpaid, the account will continue to be monitored by the institution's administrative office. Documentation of collection efforts, communications, payment arrangements, and account activity shall be maintained in the student's financial record in accordance with institutional record retention policies and applicable regulatory requirements.

If an outstanding balance remains unpaid for 180 days after the balance becomes due or after the student's last date of attendance, the account may be classified as bad debt for accounting purposes and may be written off the institution's accounts receivable records upon approval by the institution's administration or designated financial officer.

Accounts written off as bad debt may be referred to a licensed third-party collection agency or attorney for recovery of the outstanding balance. Any third-party agency, attorney, or servicer engaged by the institution must comply with all applicable federal and state debt collection laws and must also comply with the institution's published Cancellation and Refund Policy.

The institution may pursue lawful collection actions to recover unpaid institutional charges in accordance with applicable law and institutional policy.

## INSTITUTIONAL RIGHTS

- Withhold diplomas or certificates until outstanding financial obligations are satisfied.
- Deny future enrollment to students with unpaid financial obligations owed to the institution.
- Pursue lawful collection actions to recover unpaid institutional charges.

The institution shall not withhold official transcripts as a means of debt collection and shall comply with all applicable California and federal laws governing transcript release. All financial transactions, account balances, collection attempts, write-off actions, and payment records are maintained in the student permanent financial record in accordance with institutional policies and applicable legal and accrediting requirements.

## TERMINATION POLICY

The institution reserves the right to terminate a student for violations of academic, attendance, or conduct policies. There is no termination fee. Students terminated must reapply and may be subject to a reentry fee and current tuition rates.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel their enrollment agreement and receive a full refund of institutional charges, **less a nonrefundable application fee not to exceed \$100**, under the following terms:

1. Cancellation is permitted through attendance at the first class session, or seven (7) calendar days after signing the enrollment agreement, whichever is later, even if instruction has not yet begun.
2. Cancellation must be made in writing and delivered by mail, email, or in person. Verbal or telephone cancellations will not be accepted.
3. The effective cancellation date will be the postmark date (if mailed) or the date of receipt (if delivered or emailed).
4. Written notice of cancellation may be provided in any form, but must clearly state the student's intent to cancel their enrollment agreement.

5. If the enrollment agreement is canceled within this cancellation period, all institutional charges will be refunded in full, excluding the application fee. If a course is canceled by the institution or the student is rejected for enrollment, all monies paid will be refunded.

## STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, California, 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.

You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.

You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.

The institution has been ordered to pay a refund by the Bureau but has failed to do so.

The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

## GENERAL RULES, REGULATIONS, & PROCEDURES

---

This section outlines important rules and regulations concerning a student's enrollment at Inspire Academy. All students must comply with Inspire Academy's rules and regulations as a condition of their enrollment. Failure to comply with these Academy rules and regulations can lead to any or all of the following disciplinary actions, depending on the severity of the misconduct: written warnings, probation, suspension, and termination from the Academy.

Students terminated for failing to comply with Inspire Academy rules and regulations may appeal the termination. In this situation, students must submit a written appeal to the Academy Director stating why the decision to terminate should be reversed and requesting a re-evaluation of their status.

### DISCIPLINARY PROCESS & ACTION

When a student needs to be counseled for disciplinary problems, Inspire Academy of Barbering and Cosmetology implements a progressive approach. The following procedures are entailed:

STEP I	Student receives a verbal warning
STEP II	Student receives a written warning
STEP III	Student is clocked out and sent home
STEP IV	Student is suspended for 3 days
STEP V	Student's enrollment is terminated

Depending on the nature of the behavior, Inspire Academy reserves the right to skip any steps at its discretion.

Students may be escorted out of the facility by a staff member. If A student displays inappropriate or threatening behavior, law enforcement officers will be called to escort the student off the premises. A student may appeal with a letter. (See appeal procedures)

**Applied effort** is an essential expectation in our work environment. This includes bringing all supplies to complete a service for clients, along with textbooks and tablets for theory. Lack of effort will result in a sequence of disciplinary actions, starting with a verbal warning, followed by a written notice, and potentially leading to being sent home for the day. Please note that these steps could potentially be implemented over the course of a single day, emphasizing the importance we place on dedication and effort.

## BACKGROUND CHECKS

**California Board of Barbering and Cosmetology:** The application for examination by the board requires an applicant to disclose background information relating to any conviction or plea of no contest to any violation of any law of the United States in any state, local jurisdiction or any foreign country to determine a student's eligibility to take the licensing exam. Individuals convicted of a crime can still apply to take the examination. The Board will request documents relating to a conviction to be included with the Application for examination.

These are reviewed and evaluated by the Board on a case-by-case basis.

It is the student's responsibility to determine if any past criminal convictions will prevent them from obtaining the required state Board license or any local license. For more information about these requirements, an individual should contact the appropriate agency as follows:

**Board of Barbering and Cosmetology**

## HEALTH & SAFETY CONSIDERATIONS

Prospective students should know the physical demands of a beauty and wellness industry professional. Occupations in the beauty and wellness industry generally require continued standing or sitting and constant use of the upper torso, shoulders, arms, wrist, hands, upper back, and neck. Certain individuals may have allergies or sensitivities to the typical chemical products used in beauty and wellness occupations. A student must be physically capable of performing all required activities conducted at the Academy and complying with all safety policies and procedures.

### Notice to Students Who May Be Pregnant

*WARNING: Exposure to chemicals used in the cosmetology industry may cause cancer, congenital disabilities, or other reproductive harm to you and your unborn child. In addition, the physical demands required by the school curriculum could place unwanted stress on the mother and child during pregnancy. Please consider this and consult your physician regarding these issues before enrolling and signing the enrollment agreement.*

## SANITATION, DISINFECTION, AND HYGIENE REQUIREMENTS

The students are responsible for sanitizing and disinfecting ALL implements after each use, and everything in lockers is checked once a week for weekly kit checks.

### **Why is maintaining hygiene standards in a salon/shop/spa essential?**

Maintaining high hygiene standards in your salon/shop/spa is vital to preventing cross-contamination. Fungi, viruses, parasites, and bacteria can easily spread if you don't take action to stop them, whether from yourself, other clients, or dirty tools.

Tools such as combs, scissors, and tweezers are prime candidates for cross-contamination – plus, clients would probably feel a little disgusted if they knew you'd used the same scissors on all clients without cleaning them! Germs can easily spread between clients this way and can cause infections that will make them very unlikely to return to you. The best thing to do is prioritize hygiene in your salon's day-to-day running. You could have a salon hygiene checklist to remind the whole team of best practices and give training on keeping the salon clean.

### **Who is responsible for maintaining a hygienic salon/shop/spa?**

Everyone working within your salon/shop/spa business is responsible for practicing basic hygiene at the very least. Ensure that all hygienic responsibilities, such as sterilizing combs or keeping the floor clean after a client has had a haircut or their nails filed, have been delegated to your student stylists or salon/shop/spa support staff. Staff create a daily dues checklist to assign tasks and to record when each job has been carried out and by whom. This includes all areas, from the salon/shop/spa floor to the bathroom, the kitchen, the reception area, and everywhere in between. This will ensure that nothing can be forgotten while keeping your salon/shop/spa running efficiently.

### **How important is keeping the salon/shop/spa floor clean?**

With a heavy flow of footfall, the floor of your salon is a hive of activity and, therefore, needs always to remain clean. If fly-away nail extensions have gone AWOL, or a buildup of hair has accumulated around your cutting area, for example, this needs to be cleared away quickly, not only to avoid accidents such as slips and trips but also to avoid bacteria spreading from location to location. At the end of each day, ensure you clean the floor thoroughly and are ready for the next day!

### **How important is personal hygiene in a salon/shop/spa?**

All salon/shop/spa students and staff must understand the importance of personal hygiene when working in the cosmetology and barbering industry. Firstly, it's crucial to maintain a professional image that ensures clients are confident in visiting you. Secondly, poor personal hygiene can spread bacteria – things like dirty nails and unwashed hands and clothes can harbor germs that can potentially transfer to clients.

For some treatments, disposable gloves might be preferable to hand washing alone, especially for sensitive areas and treatments such as eyelash application and dermaplaning.

You must ensure that students and staff keep themselves clean when undertaking treatments from client to client. Simple practices such as ensuring hands are clean, and uniforms are free of nail shavings, or hair are all basic things to help your salon/shop/spa stay hygienic.

Keeping on top of salon hygiene isn't tasking and is a serious practice to ensure that your salon complies with the necessary regulations. It also ensures that your business looks more appealing and builds trust with your clients as a salon/shop/spa that pays attention to detail.

## VERBAL AGREEMENT POLICY

There are NO verbal agreements between staff, instructors, and students. Any "agreement" will be documented in writing, and all parties involved will initial or sign it. Fraternizing between staff and students is not permitted.

## GRIEVANCE POLICY

Inspire Academy is committed to maintaining a positive and respectful learning environment. We provide students with the opportunity to resolve concerns related to discrimination, harassment, academic or administrative decisions, or any violation of their rights. This grievance policy is presented to all students during orientation and is included in the school catalog.

Students may file complaints regarding:

- Harassment or discrimination based on race, sex, gender identity, religion, national origin, disability, sexual orientation, or any protected class
- Alleged violations of school policies or procedures
- Alleged unfair treatment by faculty, staff, or students
- Academic or administrative decisions they believe are incorrect or unjust

## INFORMAL RESOLUTION

Students are encouraged to resolve concerns informally whenever possible.

1. The student should first speak with the staff member or instructor involved.
2. If unresolved, the student may bring the concern to the Academy Director, who will document the issue and may attempt informal resolution.
3. Informal mediation will not be used for cases involving sexual violence.
4. At the student's request or if informal resolution is unsuccessful, the formal grievance procedure will be initiated.

## FORMAL GRIEVANCE PROCEDURE

1. The student can complete a **written grievance form** within **15 calendar days** of the incident. Forms are available from the Academy Director or Director of Compliance.
2. The complaint must include the student's name, the date of the incident, names of individuals involved, a summary of the issue, and any evidence or witnesses.
3. The grievance will be reviewed and investigated by the Academy Director or designee within **2 weeks** of receipt.
4. The student and accused will be interviewed, and witnesses may be contacted as appropriate.

5. A written decision or progress update will be provided to the student within **30 calendar days**.
6. If the grievance cannot be resolved by the school, it will be referred to the appropriate external agency.

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. & 1232g; 34 CFR part 99) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents (legal guardians) certain rights with respect to their children's Education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students." Exceptions to the above rule are outlined as follows:

1. School officials with legitimate educational interest.
2. Other schools to which a student is transferring.
3. Specified officials for audit or evaluation purposes.
4. Appropriate parties in connection with financial aid to a student.
5. Organizations conducting certain studies for or on behalf of the school.
6. NACCAS staff, commissioners, and evaluators for NACCAS.
7. U. S. Department of Education.
8. Persons who need to know in cases of health and safety emergencies.
9. State and local authorities within a juvenile justice system, pursuant to specific state law.
10. Subpoenas by court order.

Parents (legal guardians) or eligible students have a right to inspect and review their records at any time during normal business hours. Records must be inspected in an administrative office and will not be taken to any other area of the school or be allowed to leave the school building. Parents (legal guardians) and eligible students have the right to request an amendment of their records and, if denied, may make a written request for a hearing.

Students, or their parent/guardian if the student is a dependent minor, may have access to their files by contacting the school administration for an appointment with the Director of Compliance. The Academy may require advance notice of up to 48 hours and an appointment to review these files. Students, or their parent/guardian if the student is a dependent minor, may not remove these records from the Academy.

## **RETENTION OF RECORDS**

Student school records are safeguarded and maintained in fireproof file cabinets, and student academic records are kept in files located in the Director of Compliance's office.

There is a charge of \$75.00 for each requested transcript. Parents (legal guardians) or eligible students may obtain additional copies of documents for \$4.00 per copy.

## **DISCLOSURE OF RECORDS**

Adult students and parents or guardians of dependent minor students have the right to inspect, review, and challenge Information contained in their educational records or that of their dependent minor.

Education records are defined as files, materials, and documents that contain information directly related to a student and are maintained by the institution. Students are not entitled to inspect their parents' financial records. Written consent is required before educational records may be disclosed to the parents or guardians of adult students or others except for disclosure allowed by law, such as to accrediting commissions or governmental agencies. Access to files must be requested in writing, in letter form, or on a form furnished by the institution.

## STUDENT SALON SUCCESS

As a student, you will get practical hands-on training to provide services for real people in the student salon. This will help prepare you for the workplace demands once you graduate and become a licensed professional. Student success depends not only on their technical skill level but also, to a large degree, on their customer service/business skills. Students are expected to bring their guests to the student salon for salon services to succeed in their chosen occupation. This expectation is part of the Inspire Academy, which strives to develop a student's customer service and business skills while in school so that, upon Graduation and starting their first job, the graduate will have developed the customer service tools and experiences necessary to build a loyal clientele base.

Developing on-site customer service and business skills in the Inspire Academy student salon environment is part of what Inspire Academy defines as student "Practical Training." Practical Training includes students working on models and clinic guests and training assignments on mannequin heads and hands.

A student's success depends on their ability to use the job-critical skills learned at Inspire Academy, including attendance, punctuality, professional image, attitude, the ability to attract and retain clients, service productivity, and retail sales promotion.
