COURSE OVERVIEW

Clocked Course Hours: 1250

The courses are comprised of three learning areas: Theory Classroom Instruction, Shop Classroom, and Shop Floor learning experiences.

The Freshman Classroom: Your Freshman Classroom time for the first 300-350 hours will be guided with individual attention and group learning experiences using periodic evaluations explicitly developed to monitor your progress. Your classroom is divided into five (5) areas: cutting, shaving, hairstyling, coloring, and texture. Classroom Learning Experiences may include retail, motivation, self-improvement, professional development, and attendance. Education may be conducted by an instructor, non-licensed staff member, or guest artist.

The Shop Floor Experience: You will spend your last 950-900 hours at Inspire Academy in a natural "barbershop environment" by acting and working like a true barbershop professional! You will be working on paying customers to prepare you for your future as a barber!

The Senior Experience: In addition to working on the shop floor, students in their last 200 hours will focus on the State Board, with mock State Board classes happening once a week and theory reviews occurring daily. Lessons and projects centered around working behind a chair and learning how to be a professional are also occurring at this time.
